A literary triumph about Russia, family, love, and loyalty--the first novel in ten years from a founding editor of n+1 and author of All the Sad Young Literary Men When Andrei Kaplan's older brother Dima insists that Andrei return to Moscow to care for their ailing grandmother, Andrei must take stock of his life in New York. His girlfriend has stopped returning his text messages. His dissertation adviser is dubious about his job prospects. It's the summer of 2008, and his bank account is running dangerously low. Perhaps a few months in Moscow are just what he needs. So Andrei sublets his room in Brooklyn, packs up his hockey stuff, and moves into the apartment that Stalin himself had given his grandmother, a woman who has outlived her husband and most of her friends. She survived the dark days of communism and witnessed Russia's violent capitalist transformation, during which she lost her beloved dacha. She welcomes Andrei into her home, even if she can't always remember who he is.

Andrei learns to navigate Putin's Moscow, still the city of his birth, but with more expensive coffee. He looks after his elderly--but surprisingly sharp!--grandmother, finds a place to play hockey, a cafe to send emails, and eventually some friends, including a beautiful young activist named Yulia. Over the course of the year, his grandmother's health declines and his feelings of dislocation from both Russia and America deepen. Andrei knows he must reckon with his future and make choices that will determine his life and fate. When he becomes entangled with a group of leftists, Andrei's politics and his allegiances are tested, and he is forced to come to terms with the Russian society he was born into and the American one he has enjoyed since he was a kid.

A wise, sensitive novel about Russia, exile, family, love, history and fate, A Terrible Country asks what you owe the place you were born, and what it owes you. Writing with grace and humor, Keith Gessen gives us a brilliant and mature novel that is sure to mark him as one of the most talented novelists of his generation.

A Terrible Country: A Novel: Keith Gessen: 9780735221314 ... A Terrible Country may be one of the best books you'll read this year. . . . One of the pleasures of the novel is listening to Andrei's hyper-intelligent, wry and ironic voice. . . . One of the pleasures of the novel is listening to Andrei's hyper-intelligent, wry and ironic voice. A Terrible Country by Keith Gessen - goodreads.com A Terrible Country by Keith Gessen is published in the UK by perhaps my favourite of all publishers, Fitzcarraldo Editions, but is an odd fit for the "ambitious, imaginative and innovative writing" in which they normally excel. A Terrible Country by Keith Gessen - Penguin Random House A Terrible Country is a contemplative and compassionate novel about what it means to return to a place that is no longer home, and a fiercely political book about what oppressive regimes do to societies. There are few writers that do either as well as Gessen does both.â€•
