Years later, seventeen-year-old Charlie still struggles with the dark legacy of her family name and the mystery surrounding her mother. Determined to finally let go of the past, she throws herself into life at Knollwood, the prestigious New England school she attends. Charlie quickly becomes friends with Knollwood's elite crowd.

Charlie has also been tapped by the school's elite secret society well known for terrorizing the faculty, administration, and their enemies. To become a member of the society, Charlie must play The Game, a semester-long, diabolical high-stakes scavenger hunt that will jeopardize her friendships, her reputation, even her place at Knollwood.

As the dark events of past and present converge, Charlie begins to fear that she may not survive the terrible truth about her family, her school, and her own life.
